First Assembly

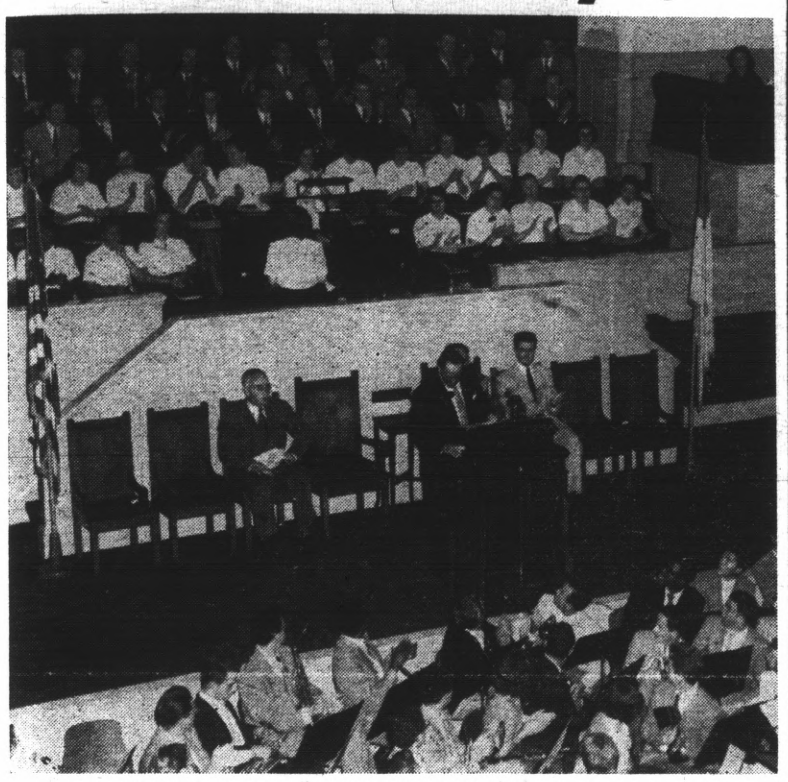

Photo by Brad Weil

Shown above at the recent all-school assembly are, left to right, J. Paul Leonard, president of San Francisco State College, the speaker, Dr. Robert P. Daniel, and Cec Riley, student body president. Partially visible behind the speaker is Reginald Bell, Dean of Instruction. Daniel is President of Virginia State College. He spoke on "The United States and World Relations."

Homecoming, Parade To Dance, Lasts Three Days This Year

For the first time in the history of San Francisco State College, the annual homecoming celebration will be a three day affair.

Activities will begin on Thursday evening, October 30, when all Staters will assemble at the old campus. They will then form a car "caravan" and proceed to the new campus. At 7:30 p.m., the coronation of the queen will take place and a bonfire rally will be held. At 8:30, a band show will be held at the women's gym on the new campus.

The second day's activities will begin at noon on Friday, October 31, when classes will be dismissed. From 12 to 6 p.m., there will be division exhibits. The parade will assemble at Sloat and Junipero Serra Blvd. in St. Francis Circle at 6:45 p.m. and the parade will begin at 7 p.m. Following the parade, an open air dance will be given at the new campus.

The last day of the celebration will commence with swimming and recreational activities at the new campus from 12 to 2 p.m. on Saturday, November 1. At 2 p.m. there will be a girls' touch football game. Soccer and water polo will begin at 3 p.m. The alumni will hold their annual banquet at 5 p.m.

The Chico State game will begin at 8:15. The Homecoming Dance will follow at approximately 10 p.m., lasting until 1 a.m. Invitations to atend the dance have been sent to the Student Body Officers of many of the colleges in the area.

FACULTY TO SPONSOR DINNER FOR GUESTS

Distinguished guests will be honored by an all-faculty dinner to be held tonight, at 6 p.m. in the college dining room.

Following the dinner there will be a program featuring the Honorable Francis Dunn, Jr., Chairman of the Assembly Education Committee, California Sate Assembly, who will speak on "Legislative Issues in Higher Education in California."

ASSFSC Reports Policy Increases

An increase of five dollars on student insurance policies was announced today by the Associated Students.

The policies are the same as last years' Permanente, the association has stated. This year the cost will be $25, which is within the means of most students, and it is considered the most economical for the coverage that it offers.

The insurance is valid at college, at home, and while traveling. They pay, with some exceptions, up to $150 for hospital expenses plus consultation, surgery, and ambulance fees. Accident victims may receive compensation of $500 for each mishap.

Further information and policies are available from Mr. Jack Healy, Administrator of Student Affairs.

Senior Meeting Oct. 2

A senior class meeting for the purpose of electing a secretary-treasurer will be held tomorrow at 1 o'clock in A 210. Plans for the coming semester will also be discussed.

Harold Spady Assumes Soph Prexy Post

Hal Spady, vice-president of the sophomore class, has assumed the role of president following the resignation Monday of Dick McElroy.

Scholastic ineligibility forced McElroy's resignation, according to the Board of Directors.

The Board found it necessary to make an interpretation of the constitution in the case of the resignation of a class president. Cec Riley, ASSFSC president, found the constitution vague in this respect.

The Directors decided to have the vice-president move up rather than to hold new elections. All other class officers will move up one step, and the class council will appoint a new secretary-treasurer.

Freshman Class Picnic Tonight

The freshman class will be welcomed by the student body at a picnic given in their honor at Sigmund Stern Grove tonight.

The Kappa Theta service sorority will host the affair with Delta Gamma Tau fraternity assisting as door committee.

The admission charge is 65 cents. The price includes hot dogs, coffee and dancing to records.

Sports clothes will be worn.

RALLY PLANNERS MEET THURSDAY

The rally committee will meet 12 noon Thursday in AB2, according to Ron LeRoy, rally commissioner. Rally membership cards will be given out. Ron added hat "this is a very important meeting, and members should make a point of attending."

Faculty Quartet Scholarship Set

A Faculty Quartet scholarship in the amount of $100 for the fall semester, to be given again in the spring semester to the same student if he or she continues to fullfill the criteria for selection, has been initiated.

Criteria for selection of the student are as follows: evidence of promise in the chosen field of study, evidence of the need for financial assistance, and a good academic record.

Those persons who feel themselves qualified should obtain an application blank from the office of Dean Dorothy E. Wells, CH 107, and return it to that office on or before October 7, 1952.

King Crowning On Friday Night

The crowning of Campus King will highlight the annual Fall football dance, "A Night In Wonderland," sponsored by Alpha Chi Alpha and Delta Phi Gamma.

The dance will feature the music of Bob Searles and is scheduled from 10 p.m. to 1 a.m. at the new campus gym following the Whittier game Oct. 3.

Candidates submitted for election are Bert Phillips, Bib 'N Tucker; Merrill Jacobs, Kappa Theta; Dean Burk, Phi Lambda Chi; Norbert Rupp, Alpha Omega and Jack Anderson, Sigma Delta Gamma.

King candidates have been submitted by most campus women organizations and voting will take place in the basement of College hall, October 2 and 3. All students are urged to cooperate with the sponsoring organizations and to exercise their voting privileges so a fair representation will be evident in the final count of votes. Results wil be announced at the dance.

Tickets are currently being sold on campus at eighty-five cents per person.

Radio-TV Guild Elects Officers

Members of the Radio-Television Guild, at their weekly meeting last Thursday, elected Bob Carrasco and Sonny Mitchell to the offices of educational director and chief announcer respectively.

They joined the previously elected officers, Barry Simmons, president; Len Hansen, program director, and Carol Bjostad, secretary, in becoming members of the Guild's board of directors and met yesterday to consider adoption of a new Guild constitution to replace the present one, in effect since 1949. The recommendations of the board will be discussed and voted upon at tomorrow's regular 1 o'clock meeting.

Among the services and activities sponsored by the Radio-Television Guild are KRTG, the Guild-operated radio station; hourly United Press news sommaries and other programs and features of campus interest for the KRTG audience, and a wide range of broadcasting station activities for "Guild's" 35 members.

FATHER OBRADOVICH SPEAKS HERE FRIDAY

Father Dositei Obradovich will give a lecture on the "Relationships between the Anglican and the Orthodox Communion." The lecture will be held in Hot 3 B, 1 p.m., Oct. 2.

Healy States Activity Plan

By JACK HEALY

I sincerely appreciate the opportunity the Associated Students has given me to work with them. I hope to take an active part in the expansion of the program of the Associated Students in its various phases. The planning for the expansion of these activities, including Creative Arts, Athletics, publications of various sorts, and the many others, has to be carefully worked out by the students, the

JACK HEALY

student body officers, and the administration of college. It is only through joint planning of this sort that a truly adequate program can be presented. We hope that it will not be long before the Associated Students if providing a program which, in its various phases, will be of interest to every student. In order to do this, however, each individual student has a definite obligation. He must make known to his elected student representatives just what he wants in the way of activities. This is the only way that the student officers can plan adequately a program for everyone.

I am looking forward to working with the students and the administration of the college to bring about the fulfillment of our mutual desires.

Science Classes Resume

It was announced by the Science department that all classes which were postponed at the beginning of this week will be resumed as of today.

UNITED CRUSADE FUND DRIVE GETS UNDERWAY

"Give Once For All" is the slogan for the United Crusade fund drive which begins today.

This campaign combines nearly all of the worthwhile civic and national health and charitable organizations into one contribution. This not only cuts down on administrative expense but saves wear and tear on John Q. Public.

If you donate at school or work, display the Crusade sticker you receive on your window and you will not be solicited again.

With such a large number of causes represented it is natural that the goal should be larger. The desired goal is a day's pay from each worker.

President Leonard In Pacific Coast Conference Held In S. F.

President J. Paul Leonard participated in the Pacific Coast Conference on Private Investment and International Economic Development held at the Fairmont Hotel on September 24 and 25, while a group of students from State served as recorders, assisted in the conference headquarters, information booths, registration, and with ushering.

President Leonard was presiding chairman of the session on Thursday morning, dealing with the topic, "Latin America Today as a Field for Investment."

Five students served as recorders for this session, writing up conference reports of the proceedings. These students included: Shirley Sellineri, Nancy Mason, Donald Koors, Benjamin Micallef, William Gasaway, and Otto Morgenstern.

In addition to these students who were from Mr. Thomas Lantos' and Dr. George Feliz' classes, Miss Gertrude Luehnings' home economics group, Delta Sigma Nu, provided girls to assist in the conference. These students were Edwene McKinney, Marian Smire, Elyse Dukatz, Olga Martin, Joy Rybicke, Rachel Durart, Jan Julian, Viola Todt, Joan Norman, Norma Ponce, Carol Drake, Betty Sloan, Alycee Momboise, Shirley Kiningham, Lora Dunflinger, Teressa McGee, and Patricia Christensen.

The President of Delta Sigma Nu, Mary Lou Higley, organized her group for their various assignments at the Fairmont Hotel.

President Leonard stated, "The students were wonderful," a real help, and I am proud of them."

The conference was held for "any business, small or large, interested in learning how to participate in international investments and projects under our nations international development program."

LE ROY: HIGHLY ORGANIZED AND EFFICIENT GROUP PLAN VARIED ACTIVITIES THIS YEAR

This year's rally committee will endeavor to present a varied array of activities aimed to be of interest to every student at San Francisco State, according to Ron Leroy, rally commissioner.

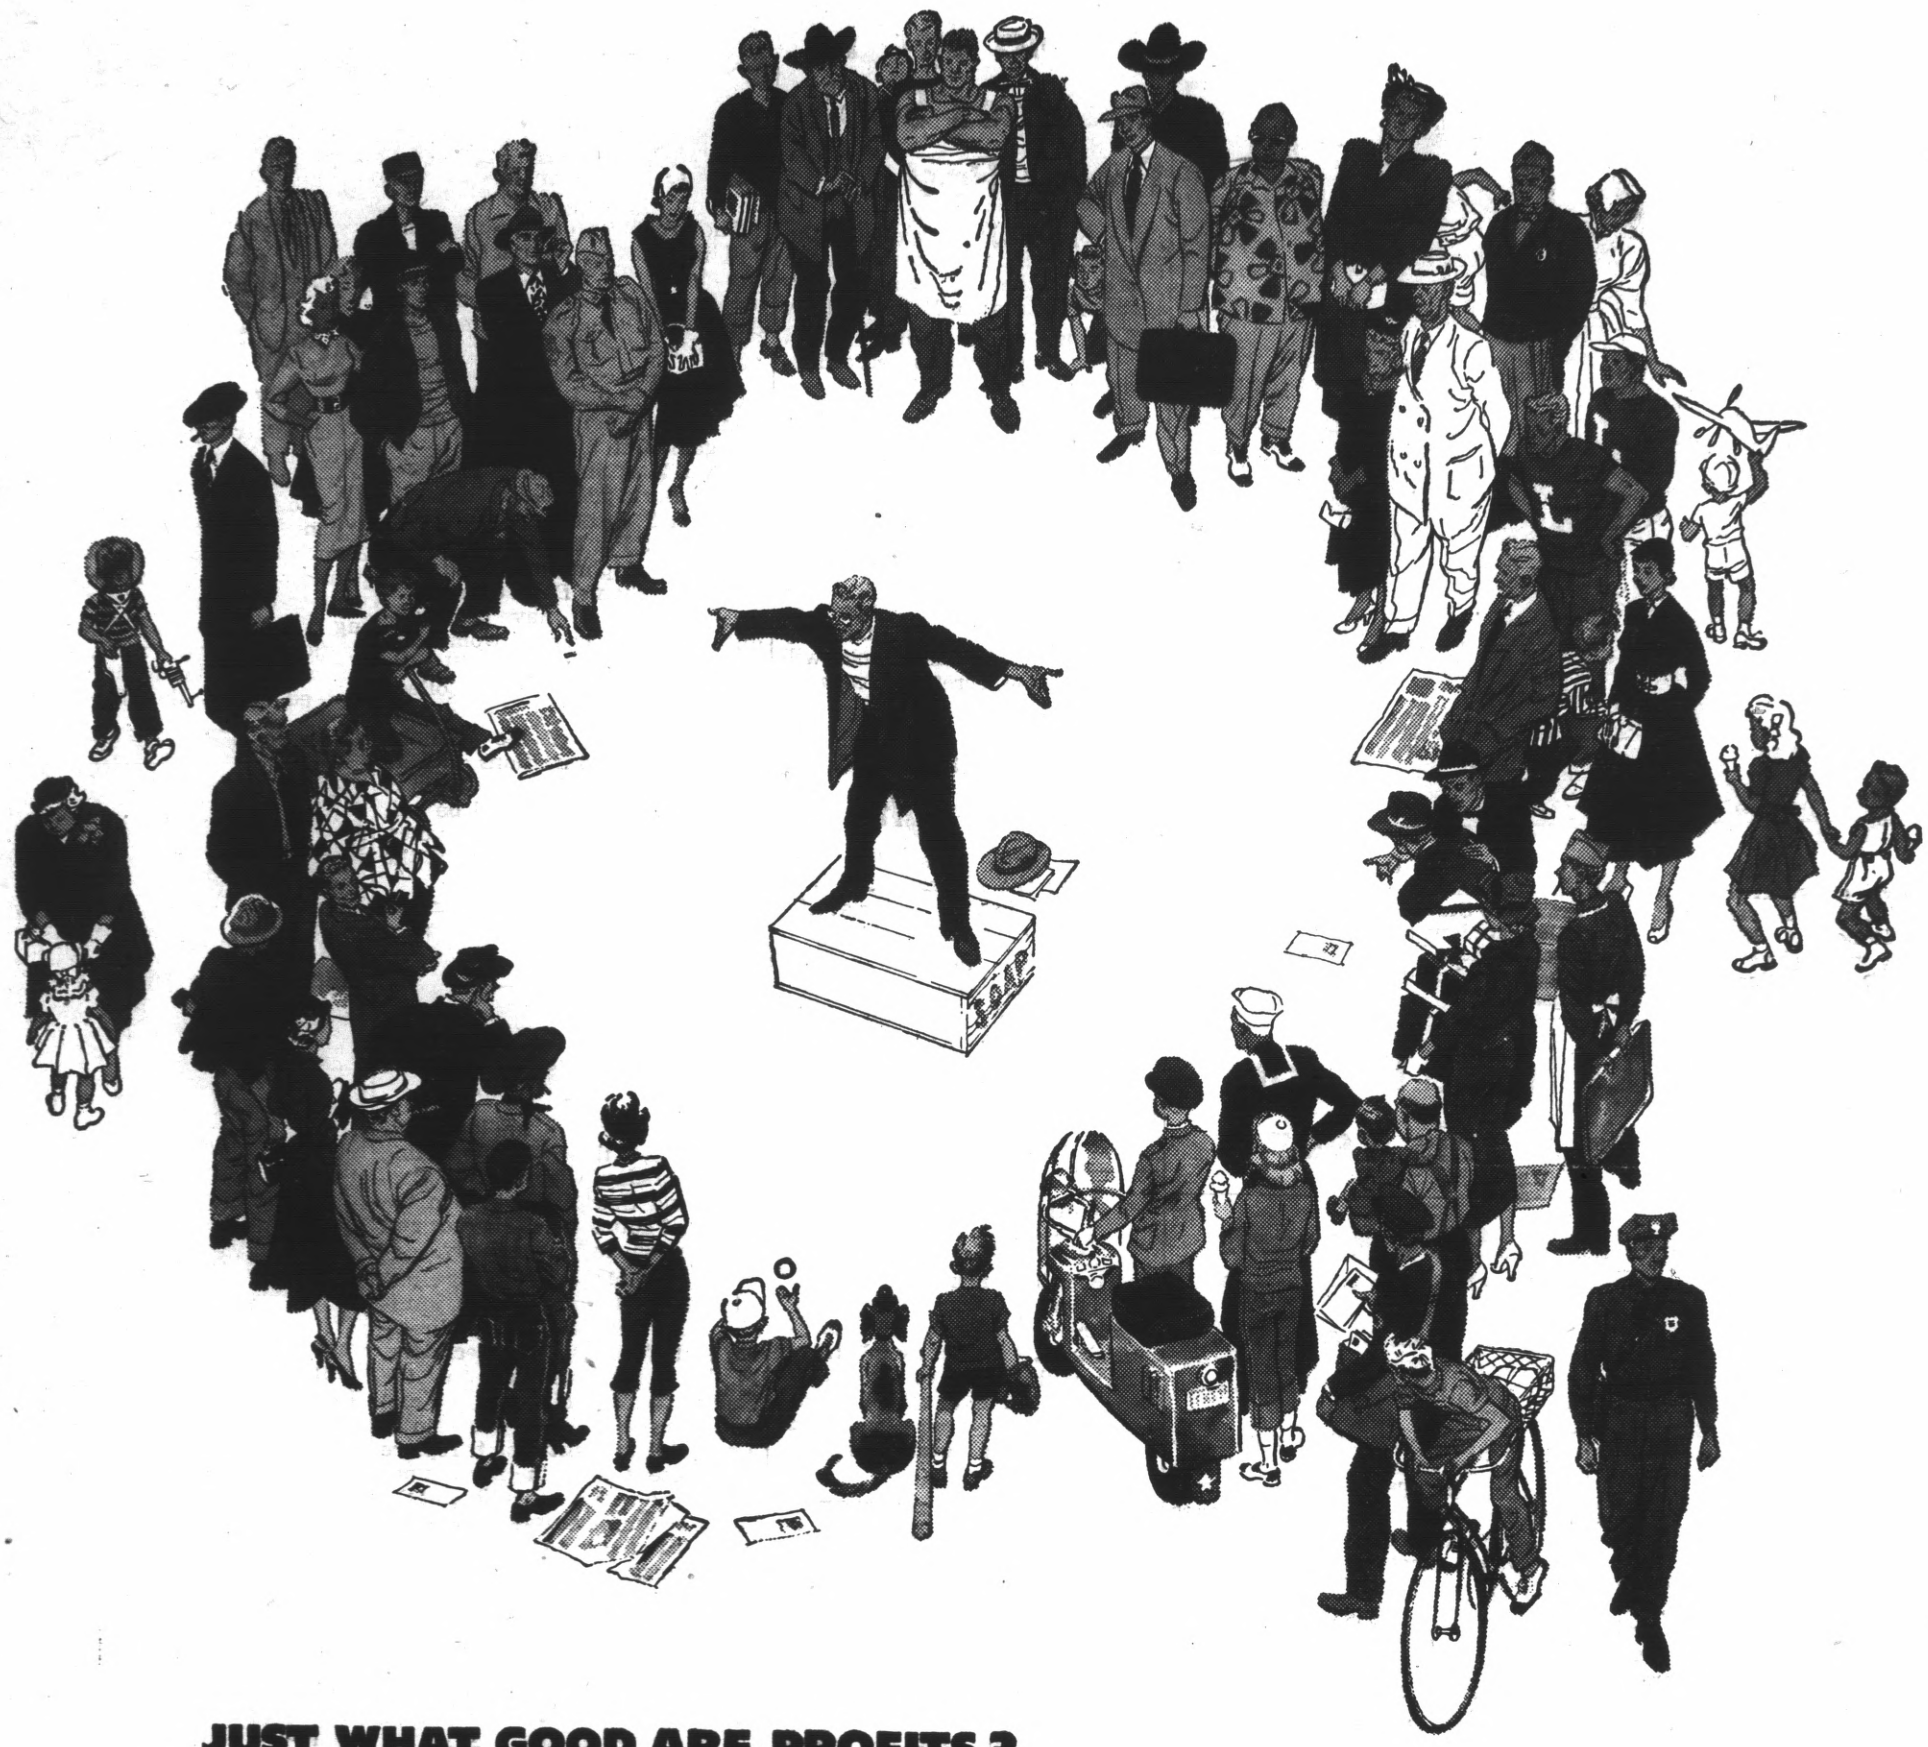
Of his committee, Ron says, "It is a very efficient and highly organized group which is striving to present a group of programs which everyone will enjoy. No matter what your interest, this year's activities will be of interest to you."

The committee, which is composed of approximately 300 students, has been divided into smaller divisions with division chairmen. Committee heads are as follows: Publicity, Alice Pappas; Rooting section and card stunts, Warren Albee; Dance, Marilyn Gilgert; Rally Committee No. 1—Don Ziegenfus; Rally Committee No. 2, Ellio Jacobs; Rally Committee No. 3, Augie Costa; and Coffee Hours, Amy Shiozaki. Two committee heads—for the pregame and halftime activities committee and the movies lecture committee —are still to be named.

To make the rallies and other activities sponsored by the Associated Students a success, the cooperation of every student is necessary, according to Bert Phillips, Activities Commissioner. "Ron's ability, combined with student co-operation, will make for a successful season of activities."

Hillel Holds Election

Elections of the Hillel Club were held last Tuesday night at the home of Julian Kaufman. The following are the new officers: president, Julian Kaufman; vice-president and secretary, Libby Gold; social chairman, Barbara Roubell; and treasurer, Irving Muthick.



JUST WHAT GOOD ARE PROFITS?

During the last 20 years a great many uncomplimentary things have been said about profits. Left Wing propaganda has been so successful that many honest Americans were actually beginning to wonder if maybe there wasn't something evil about profits after all. But the answer is plain if we understand one of the most important functions of profits in our economy. It is simply this:

The chance for profit *constantly encourages the development of new and improved products.* Because of the competition for profits, every business strives to put out *better and more useful products, with greater efficiency, at lower prices.* (At Union Oil, for example, we're spending $10,000 per day on research—and our competitors work just as hard as we do on product improvement.)

Because of this essential function of profit the American people have better products in greater abundance than the people of any other country. *As a consequence, we enjoy the highest standard of living the world has ever known.*

It's not hard to see, then, why the profit motive must be preserved. Yet present tax policies and government controls are discouraging production by destroying the profit motive. *And without this incentive we Americans cannot possibly show the progress in the future that we have shown in the past.*

Duncan Passes To All Three Touchdowns; Roark, Dunn Star On Defensive Unit

By HAL GRANT

Quarterback Maury Duncan passed the San Francisco State College Golden Gators to a 21-0 victory over a feeble George Pepperdine eleven last Friday night at Cox Stadium before a crowd of 4200.

Duncan who tossed all three touchdown aerials, opened up the scoring late in the second quarter when he dropped back to his own 15 yard marker and let fly. John O'Shea caught the ball over Wave halfback Bob Ferguson's head on the Pepperdine thirty and romped over for the TD.

In the third quarter the Gators marched to the Pepperdine 29 yard stripe where Duncan took to the air, this time via Al Endriss who snatched the ball in the end zone for the second score. This tally came less than three minutes into the third quarter.

FINAL TD

The final touchdown was also engineered by Duncan who heaved a 5 yard jump pass to end Merill Jacobs. Jacobs upon receiving the pigskin immediately proceeded to race 28 yards for a score. Harley Felure, Palomar JC transfer, booted all three points after touchdown.

Pepperdine's lone scoring threat came late in the third quarter when then Wave's right guard, Bob Brooks, recovered a Lualhati fumble on State's 31. On the next play Rudy O'Suna, 19 year old Pepperdine back, broke over left tackle for a 13 yard gainer. The Gators were promptly penalized 15 yards on the next play for pilin. With a first down on the State three, the Pepperdines tried unsuccessfully to batter down S. F.'s outstanding defensive wall. On four trys the Waves managed to transport the ball to the 6 inch line.

GATORS FUMBLE

In the first half fumbilitis plauged State. The Gators bobbled and lost the pigskin on three separate occasions. In the second half the men who carry the purple and gold banner managed to lose their first game jitters and played a decent brand of ball.

This Friday night San Francisco plays host to the unbeaten Whittier Poets. The Poets edged the Gauchos from Santa Barbara by a 7-6 count last Friday night. The State-Whittier contest will be held at Cox Stadium and kick-off time is scheduled for 8:00 p.m.

Alumni Turn Back Gator Booters 2 - 1

By KEITH PINCKNEY

Before a roaring crowd of 14 (six of them under 12) and a small brown dog, a fighting San Francisco Gator soccer team went down to defeat before a fast moving Alumni squad by a score of 2 to 1 at the upper playfield, last Friday.

The Alumni drew first blood when they scored late in the first quarter, combining fast footwork with team play to outmaneuver the State goalie. Neither squad was able to fool the other for the rest of the period, and the remainder of the first quarter went scoreless.

After the first period, regulation quarters were abandoned by mutual consent, since many of the Alumni had not played for some time and became winded.

Later in the contest both teams scored and the game ended with the Alumni on the long end of a 2 to 1 score. Homer Zykler scored both goals for the Grads, while a Gator team member identified by Coach Art Bridgeman only as Oscar V. scored for State.

State's next contest will be on Saturday, October 4, when the Gators take on the Santa Clara Bronco team.

JV Gridders Dropped By Yuba 26-7

The Junior Varsity football team went down in defeat last Saturday night 26-7 at the hands of the 49ers of Yuba college. It was the first win in two tries for the 49ers.

The Yuba team started off the game in rough fashion; they scored on the third play of the game and added another score seven minutes later. A young man by the name of Frank Ferraivolo was responsible for both of these touchdowns. Ferraivolo scored the first touchdown from 24 yards out, after the Junior Gators fumbled the kickoff Ferraivolo scored again on a beautiful 91 yard run.

At this stage of the game the Gators were trying desperately to get started. And they finally did, midways the second quarter when they took advantage of a 49er fumble, and Jim Hanretty scored from four yards out on a quarterback sneak.

After the first two 49er touchdowns the Gators settled down, and played some varsity size football, and as the results of this "about face," they came off the field at half time one touchdown behind. The score was 7-13.

At times the Junior Gators defense was unmovable, but due to lack of practice, they weren't completely organized, and the same was true of the offense.

The JV's let down again in the last quarter and Yuba took this advantage to score its last touchdown on a quarterback sneak from five yards out.—By Vic Gipson.

State Runners Defeat Stockton In Big 'C' Race

San Francisco State's up and coming cross country team defeated a hustling Stockton College squad 25-30 (lowest score wins) last Sunday in the annual Berkeley Big "C" distance run.

Although the Stocktonites grabbed first place in the 4 mile jaunt, the locals moved in and took second, third, and fourth spots in the team race.

Jim Shettler annexed fifth place in the senior six mile race among such classy competition as Price King. Olympic games team member, Jim Maddox, national junior 15 kilometer champion, and PFC Don Shanks, Walnut Creek title holder.

In scoring a cross country meet one point is given for first place, 2 for second, 3 for third, 4 for fourth, and 5 for fifth. All places after fifth are scored as eight points.

On Sunday, Oct. 12th, State's distance team will journey to Oakland to compete in the annual Columbus Day Lake Merritt foot race.

MOVIES: *are they really better than ever?*

By HERB COLTON

Who is better qualified to criticize a movie—a vitrolic critic with nothing good to say for anything, or the public who pay to see these attractions for entertainment?

We think the public is.

As a result, it is the proposal to make the following movie rating column a weekly feature on this page. Although it is agreed that movies may not be better than ever, or that it is important that the college student views certain films, the fact remains that college students are avid film goers. Too, persons at the college level are somewhat more discerning in their choice of flicks.

It is not our purpose to supply you with a 5,000 word account on some obscure point or, say, "The Miracle in Milan." We believe that a movie is only a way to kill an hour or two, or can fulfill its function on a "cheap date." For the most part, a movie is only entertainment. Few are thought-provoking. Occasionally you may see one that lingers in your mind. Usually you leave the movie house, either liking or disliking the film.

So, the plan of rating the movies will follow the one used by the survey magazine, Consumers Report. It is a four point scale. "P" will designate poor. "F" will denote fair, "G" for good and "E" for excellent. In the case of a film meriting a better than good rating but still not quite up to the excellent category, "GE" will be assigned. The same will be applied lower on the scale as in "FG", (fair to good).

In such a column, it is necessary to get as many opinions as possible, not a cross-section. Most of the readers of this column are college people, past or present. In order that the rating might have some validity, we are asking all potential contributors who think that Abbott and Costello are, "swell comedians" to refrain from offering their opinions.

The following will be the procedure you are to follow in helping to make this column a weekly and valid feature of the Golden Gater.

When you see a film (first run or foreign) drop a note in college post office box 1191 with your rating of the film, using the above scale to guide you. Also, put your name and address on the note.

Free passes are available to most downtown and foreign film houses, and a weekly drawing will be held in the Gater office for two sets of passes to one of the better San Francisco movie houses.

Here we are back to the old grind. By the look of things State was well represented at the different resorts this summer. If you by chance traveled around the vicinity of Yosemite you may have encountered Jan Mason tripping thru the lodge with tray in hand or just plain busy, while Candy Hines took care of the little ones. Also during the vacation 14 B and T's occupied four tents in the Camp Curry grounds and stayed two weeks. Others working at Yosemite included Don Condan and Dick Spiersen while Jim Cotrell went thru the passes on pack trips.

Taking a long drive and a jaunt across the water to Catalina were Steve Kritikakos and Neil Decker, while a Stater referred to as Junior Cacobs accompanied.

* * *

Up Feather River way Liz Wood enjoyed her summer months working at Forest Lodge.

Kent Helland took the economy run this summer, by climbing Pike's Peak faster than all '1952' model stock cars. According to the consumers' guide, "he's best buy for '52."

The life guard at Forest Pool down in Boulder Creek was Fred Van Dyke, who greeted visiting fellow Staters, Jack Anderson, Sam Laird, Dolores Rato, George Eldridge, Carol Krose and Phil Ryan. Those taking care of plant life this summer in the Lassen area, included Don Thomas, Dave Ramos, John Fisher and Rudy Smith.

OBJECT: HIGH SCHOOL COACHING

Con Dempsey, Former Seals' Pitching Star, Enrolls In State Physical Education Course

Some State students achieve fame after graduation. A new student here achieved it long before enrolling.

Con Dempsey, better known around San Francisco as a former pitching star for the Seals than as a limited student at State, enrolled here this semester for two units.

Dempsey, a graduate of U.S.F., is now working for a high school teaching credential, which he expects to get at the end of this semester.

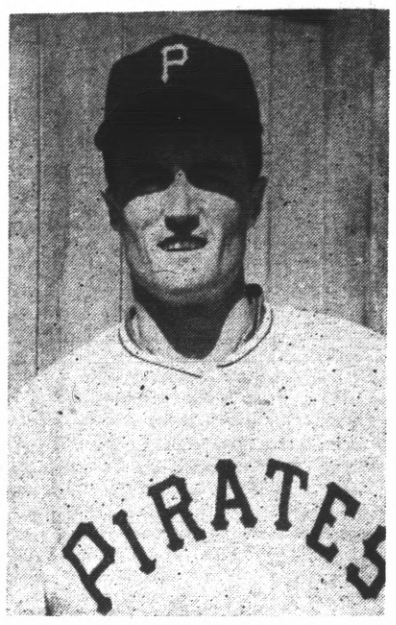
"The credential isn't necessary now," Con said, "but I'd like to have a cushion to fall back on." His object is a high school coaching position, with a little eaching on the side.

Dempsey is taking Physical Education 183, "The Care and Prevention of Athletic Injuries." He is carrying a curriculum of thirteen units at U.S.F., with a major in Social Studies, and a P.E. minor.

SIGNS AS PRO

Dempsey signed his first professional baseball contract with the Seals in 1947, and spent most of the season with their Salt Lake City farm team. He was recalled to San Francisco at the end of the year.

His best year so far was 1948, when he led the league in strikeouts. had the lowest earned-run average (2.10), and tied for the largest number of shutouts with five. His record was 16-11.



CON DEMPSEY

In 1949 he led the league in strikeouts again, and won 17 and lost 14 for a fifth place club.

In a $75,000 deal, Dempsey was sold to the Pittsburgh Pirates at the end of the '49 season. He was on 30-day option.

CHANGES STYLE

"As soon as I got there," Dempsey said, "the Pirates changed my pitching style from a sidearm to an overarm motion. I got only seven innings of league play to perfect the new style. My record at the end of 30 days was 0-2."

The Pirates didn't pick up the option, and Dempsey was returned the Seals, where he tried to change his style back to sidearm.

At the end of the '51 season, Con went back to the majors, this time via the draft. He spent only a few days of spring training with the Philadelphia Phillies before he injured his arm.

DUE TO CHANGES

"It is very possible," he said "that the injury was partially due to the changing and changing back of my throwing style."

After being sold to Seattle and reurned again, Con was finally sent to the Phillies' Baltimore farm, who made him a free agent.

At present, he is under the supervision of a famous retired trainer residing in this area. The trainer finds his arm "almost 100 per cent" perfect.

Con reports at least two definite proposals from Coast League teams, and expects to be back on the mound in 1953.

189 AWARDS LAST YEAR!
Write a Lucky Strike jingle!
No box tops! NO ENTRY BLANKS! *It's easy!*
Just write a 4-line jingle based on the fact that
LUCKIES ARE MADE BETTER
TO TASTE BETTER!*

Here's your chance to make yourself $25. Just write a 4-line Lucky Strike jingle, based on the fact that Luckies are *made better* to *taste better.**

Then, if we select your jingle, we'll pay you for the right to use it, together with your name, in Lucky Strike advertising . . . probably in this paper.

Read the sample jingles on this page. Then get the gang together, break out the rhyming dictionary, and start writing. It's fun! And we're buying jingles by the bushel!

Hint—if you can sing your jingle, it's a good one!

Hint—the more jingles you write, the more money you have a chance of making.

Hint—be sure to read *all* the instructions!

I've heard the same in every class—
In history, psych, and ec—
For cleaner, fresher, smoother smokes,
It's Lucky Strike, by heck!

I like a better-tasting smoke
And mildness counts with me.
So when I buy I keep in mind
That L.S./M.F.T.!

HERE ARE THE INSTRUCTIONS

1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on any qualities of Luckies. "Luckies are *made better* to *taste better*," is only one. (See "*Tips to money-makers.*")
3. Every student of any college, university or post-graduate school may submit jingles.
4. You may submit as many jingles as you like. Remember, you are eligible to win more than one $25 award.

*TIPS TO MONEY-MAKERS

To write a winning Lucky Strike jingle, you're not limited to "Luckies are *made better* to *taste better*." Use any other sales points on Lucky Strike such as the following:

L.S./M.F.T.
Lucky Strike Means Fine Tobacco
Luckies' cigarette-tearing demonstration
Luckies taste cleaner, fresher, smoother
Be Happy—Go Lucky
So round, so firm, so fully packed
So free and easy on the draw
Buy Luckies by the carton
Luckies give you deep-down smoking enjoyment
